About the Institute

RNS First Grade College was incepted in 2012, and is in the forefront imparting high quality education and is also one of the top colleges in the state of Karnataka. It has grown in stature over the years and remains the most sought-after institution dedicated to Commerce, Management and Technology education.

Our college is committed to the holistic development of students so as to make an effective contribution to the creation of a better society.

The students are trained in creative arts, social service, critical thinking, and leadership in order to make an effective contribution to the creation of a new and value-based society and to form responsible citizens who are 'always wise' and who will dare to 'go ahead and conquer knowledge' through competence, commitment, conscience and compassion.

RNS First Grade College is really a great platform for all those who dream to achieve big. The college provides plenty of opportunities to come forward with what students seek to be in their near and dear future. The Institute is committed to support students' personal growth, enhance and keep up the quality education.
